Dear Parents / Carers,

Toy Story – Whitebeam

Welcome back! The children have returned bright and raring to go! We are all very happy to have such a wonderful topic this term and are looking forward to the children producing some amazing work. We will be learning all about toys through the ages, focusing particularly on teddy bears and Rubik's cubes. They will be designing and making their own puppets as well as learning how to weave.

We have included a knowledge planner overview for your interest. It makes a big difference to your child if you can help to encourage them researching some of the toys from the past and visiting the library. Supervised use of the internet together with watching films and programmes on television can also be fun. If you have any resources at home, it is always lovely for them to bring them into school for us all to look at.

Please continue to hear your child read on a daily basis and discuss what he or she has read each day. You can record any comments you have in their reading diary, along with how they are getting on with their 'maths packs' and 'words and sound' pack. Please ensure your child has their reading book, reading diary, 'maths packs' and 'words and sound' packs in their book bag every day. Maths packs will begin in a couple of weeks.

PE lessons will be on a Wednesday and Thursday, and you will have seen on a previous email children should now come to school dressed in their PE kit on these days.

We would like to thank you for your continued support.

Yours sincerely,

Mrs Mertens and Mrs Walby

Our Core Values: **INDEPENDENCE** - HAPPINESS – **TEAM WORK**
