

Message from Mrs Branton

As you will see from the photos below, Beech class had a very exciting morning on Monday. They were finally able to solve the clues that the unexpected visitors had left in class last week. The children spent their morning with a variety of farm animals from Ark Farm, bringing their current topic to life. They found out lots of interesting information from their interactions with the animals and the Ark Farm staff.

On Wednesday, the school was awash with some very colourful funky and odd socks. Thank you for supporting Young Carers Action Day, helping us to raise awareness for this amazing group of young people.

It was lovely to be able to welcome lots of our junior mums with their children after school on Thursday, for our first 'Mother's Day celebration tea and cake afternoon' in the school hall. It really was a super turnout and I hope you all enjoyed it! Thank you as always to our wonderful Trudi, staff and PTFA ladies for their help!

A big well done to Beech, Whitebeam and Chestnut superstars for their wonderful Mother's Day assembly this morning. The children and staff worked incredibly hard getting the performance ready for us to enjoy. The children were an absolute delight to watch, with their enthusiastic singing and dancing and poetry performances. Thank you to all the parents that were able to come along, the children were thrilled to see so many of you there. Being able to perform to a supportive audience that applauds and encourages is a wonderful confidence builder for the children. I'm sure you will agree that it certainly was a memory to treasure!

Have a lovely weekend. Mrs Clare Branton, Headteacher.

Science in the News - Let's stay connected!

Dear parents and carers,

Our Science Week has been a great success at Willowbrook Primary School this year. The children have connected with nature, space, plants, soil, engineering through great activities; interesting experiments; and captivating talks. This week has been a collective effort that has celebrated not only Science, but also togetherness. Well done, everybody! 😊

Mrs Cirdei - Science Co-ordinator

A huge thank you to Mrs. Shelton, Mr. Reid and Mr. Vosper for sharing and inspiring the children with their scientific professional connection.

WE STILL NEED LOTS MORE VOLUNTEERS TO GET 3PR BACK UP AND RUNNING

Dear Parents and Carers,

Pre Covid, with the help of our regular parent and child volunteers we were able to run a '3PR Parking Scheme'. Some of you may have seen the large green 3PR alien mascot that sits in the school office.

By following the 3PR 3 parking rules we are able to create a 3PR Zone in Rosen Crescent, which in turn reduces the traffic and congestion, which unfortunately builds up at drop off and pick up times.

We encourage the children to enter the 3PR zone by foot and in doing so they are rewarded with a token that they collect from a bucket each morning. The token is then taken to their class and put in a collection box. Each half term we have a count up of the tokens to see which class is our 3PR winners. They will be presented with the 3PR cup by the Alien himself in assembly.

How do we create the 3PR Zone?

This is where our regular team of parent/carer 3PR volunteers come in.

There are several ways in which we can achieve this: -

- Asking our families to walk, cycle or scooter to school.
- Our volunteers will be visible in their high viz tabard and present at the start and end of the school day to encourage anyone parking in the zone to move on and find a parking spot away from the zone.
- Then finally, we would like to be able to go back to offering a drop off point. The drop off point would be available each morning from 8.35am. Parents can drive to the allocated point in Rosen crescent, where one of our volunteers will help your child/children out of the car, leaving you free to drive off and not have to worry about finding a parking spot. Your child/children would then be walked safely down to their classrooms with one of the volunteers.

The 3PR team of volunteers seems to have worked best when we were able to have lots of volunteers covering one morning or afternoon session each. During the morning session your own child/children will be able to be part of the team by holding the buckets from which the children collect their tokens.

Morning volunteers will be required from 8.40am until 9am and afternoon volunteers from 3pm to 3.15pm.

Please contact the school office if you are able to volunteer and together let's work on making a safer environment with less traffic and congestion for the children.

Thank you for your support
