

## Message from Mrs Branton

What a wonderful turnout for our Macmillan Coffee Morning, a big thank you to our wonderful PTA ladies and parent volunteers for all their help this morning and also a huge thank you to you all for the incredible amount of cake donations! We were very fortunate to be entertained with some fabulous singing whilst enjoying our coffee and cake this morning by the children in Beech, Whitebeam and Chestnut classes. I will let you know the amount raised for this very worthwhile cause once all the donations have been counted. Thank you again for your support!

The first of our off-site educational visits for this academic year takes place next week, with Whitebeam and Chestnut class going along to Mountfitchet Castle on Wednesday. Educational visits are not only fun, they provide important first-hand experiences to help your children remember their learning and are an important part of our curriculum. I'm sure there will be lots of photos on our school twitter feed of the children enjoying their day out. If you don't have access to the school twitter site @Willowbrk please send a follow request and then email your twitter user name to the school office [admin@willowbrook.essex.sch.uk](mailto:admin@willowbrook.essex.sch.uk) so that we can approve and accept it.

School Census Day is on Thursday 6<sup>th</sup> October and our catering company Pabulum will be offering a special 'Favourites Day' menu for the children. This a great opportunity for your child to try a school dinner. Remember every child in Reception, Year 1 and Year 2 are entitled to Universal Infant Free School Meal. So why not enjoy a free meal on Thursday 6<sup>th</sup> October!

## Parents consultation evenings

Our parents evening meetings will take place over the week commencing 17<sup>th</sup> October, please see the table below to see which dates appointments will take place for your child's class. These will be face to face appointments at school, giving you the opportunity to meet with your child's class teacher and to look through your child's books. Appointments must be booked through the online booking system; further information will be sent out to you next week. Remember, if your child is on the Inclusion register, you will be invited to attend a one-plan meeting in place of a parents evening appointment. The dates for these are on this newsletter under 'diary of events'.

Our school Book Fair will also run alongside our parents' evenings.

## Making the move from Year 6 to Year 7

Making the move from Year 6 to Year 7 is an exciting time: looking at potential secondary schools and finding out about all the subjects you can experience. Lots of our year 6 children have already been with their parents for tours this autumn term at our local secondary schools. Just to remind you that applications for a secondary school place for September 2023 must be submitted by 31<sup>st</sup> October, please use the following link to apply for your place <https://www.essex.gov.uk/apply-for-a-secondary-school-place>

Please remember to check the diary dates for any additions to the Autumn term calendar. Also, don't forget to check the community news section on the school website for information on events etc. outside of school.

Have a lovely weekend. Mrs Clare Branton, Headteacher.

We are taking part in the

## CAULIFLOWER Christmas Project

raising money for our School!

Your child has brought home with them an A4 sheet of paper on which to create a Christmas design along with an order form.

The designs can be printed and purchased on a range of products including Cards, Notebooks, Tags, Wrapping Paper and Gift Mugs.

There were some fantastic designs last year and it was great seeing how creative they can be.

Please read the artwork guidelines printed on your child's order form, most art materials can be used, but colour pencils and photographs are not recommended. Bold and bright designs that fill the paper produce the best effect.

If any other members of your family would like to join in we do have spare order forms!

Artwork must be drawn or glued on to the order form with the arrow on the form circled indicating the top of the work. Please keep designs flat and damage free, as marks will show on the final print.

Orders and payment must be made online using the unique code located at the top of your child's order form. Please refer to your order form for further instructions.

Each order form must be unique so please do not photocopy the form for other members of your family you can get extra copies from school office.
