

No Limits  
Development  
Overnight Stay  
2026

# What is No Limits Development all about?

- <https://nolimitsdevelopment.co.uk/explorer-2/>

This consists of a two-day programme, where the children will camp overnight on the school field.

We decided to introduce this as we have noticed in recent years that some children and parents become anxious over PGL week in year 6. Therefore, this is an opportunity for the children to experience one night away whilst in year 5, before they have a week away the following year.

# What are the benefits?

- Creating confident individuals.
- Builds independence
- Learning outside the classroom.
- Supports the development of teamwork.

# Accommodation

- No Limits Development will bring the tents for us to use.
- The tents sleep 3 pupils.
- The children will work together to set up the campsite on the school field.
- The children will need to bring their own sleeping bag and mat. However, No Limits can provide these if given prior notice. (This will be part of the permission slip in the letter that will be going out this week).
- We will have access to the pod toilets that open out onto the playground.
- Prior to the stay, the children will be asked to list the names of children that they would like to share a tent with and the names of children they would like to be in an activity group with.
- The class teacher will look at all of the forms and ensure that each child has at least one person that they named in both their tent and activity group.

- The purpose of the overnight stay is to foster independence, resilience, growth mindset, teamwork amongst many other benefits. Therefore, please do not come to the school gate to try and make contact with your child, or when collecting a sibling or dropping off, please do not come across the field to make contact with your child.
- We will use twitter as our means of communicating our activities to parents and seeing your smiling child taking part in an activity will give you the reassurance and security that your child is enjoying their time.
