At the end of 2025/2026 academic year, we lose two PTFA committee members as their children move on to senior school.

We are looking to recruit (September 2025) new committee members who will be able to shadow the existing committee members and become familiar with the roles before taking on the position entirely in September 2026.

If you are interested in joining us and making a real difference, then please email the PTFA or speak to a member of the committee.

Summer Fayre

This term we hosted our biggest event of the year in the Summer Fayre. With lots of meticulous planning by the committee, the day was a huge success, minus the inflatables, and we really do hope everyone had a great day. The event raised a massive £2,900*.

We would like to say the biggest thank you to all our volunteers who supported us and helped run the stalls on the day, the day would not have been a success without you all. Another big thank you goes to our supporters who provided advertising for our event, and amazing raffle prizes.

*Provisional profit – awaiting final income/expenditure figures
